Ashland Wins—

The Grants Pass baseball team was defeated Sunday at Ashland by the Ashland team, the score standing 17 to 19 in favor of the Lithia water city. For a few innings Grants Pass had a lead of 7 to 1, but a sudden spurt of speed by Ashland and a sore arm for Ernest Fry proved disastrous for the local boys.

Cramer in Chase National—

Mr. and Mrs. T. P. Cramer have received word from their son, "Ted" Cramer stating that he has secured a position in the credit department of the Chase National bank, corner Broadway and Wall street, New York, and will commence his duties on Thursday. The Chase National is the third largest bank in New York.

Homesteader Kills Rattlesnake—

Mrs. G. W. Matthews on Saturday had a disagreeable experience with a rattlesnake at the Matthews homestead on the head of Dutcher creek. She went to where the horses were grazing and while petting one of the animals she felt something strike against her leg and looking down saw a 2 1/2 foot rattler clinging to her heavy khaki skirt. Mrs. Matthews secured a club and dispatched the reptile, which had five rattles and a button. The very unusual part of the incident is that the rattler did not buzz, striking without warning, and Mrs. Matthews believes she owes her life to the heavy skirt she was wearing. Only one other season, several years ago, have rattlers been reported as striking without warning. Hunters and berry pickers will do well to keep a short watch for reptiles.

Why Not Drive Poison Out?

Do you realize that the kidneys never have a moment's rest? They work all the time, day and night, year in and year out, filtering poisonous waste products from the blood. Is it any wonder the kidneys get out of order, weak, or too tired to keep the blood stream clear of impurities?

When the kidneys falter, trouble begins. The waste matter accumulates in different parts of the system, and backache, swollen joints, aching muscles, pains inside, biliousness, blurred vision, puffy pouches under eyes, or rheumatic pains result.

Foley Kidney Pills

Help weak, tired, disordered kidneys to do their work. They strengthen and heal the kidneys, soothe and regulate the bladder and have a splendid tonic action on the liver.

Mr. Louis Flint, 182 S. Jefferson Ave. Battle Creek, Mich., writes: "For years I suffered intense pain. The doctors told me it was my kidneys and gave me medicine which did me little good. A friend induced me to give Foley Kidney Pills a trial. In a few weeks I was feeling much better; inside of a year I found out I had a permanent cure. I am now 76 years old, a veteran of the Civil War, on my feet ten hours a day, six days a week."

You can help your kidneys keep your system clear of poisons by taking Foley Kidney Pills.
